GUIDED BY THE PRINCIPLES OF PUBLIC WALDORF EDUCATION

# Culture, Customs & Contributions Day

**April 24, 2026**

**5:30pm-7:30pm**

We are excited to invite you to our Culture, Customs, and Contribution Day! This special event is an opportunity to celebrate the diverse cultures, traditions, and talents within our school community.

In a Public Waldorf School, learning comes alive through storytelling, art, food, music, and human connection. This day offers students both windows and mirrors, honoring their own heritage while discovering and appreciating the diversity around them.

**We would love for your family to participate by sharing something meaningful about your culture!**

**You can choose to:**

- Host a cultural table or station
- Share traditional food
- Teach a craft, game, or activity
- Share music, dance, or language
- Display cultural clothing or artifacts

**🌟 Families from the same culture are welcome to share a table together.**

**If you are interested in participating, please complete the Family Interest Form.**
